

LOCAL GOVERNING BODIES SCHEME OF DELEGATION FOR THE INDEPENDENT SCHOOLS

Introduction

The NAS Board of Trustees is accountable for all NAS operations but in order to manage its responsibilities, the board has established a number of committees to focus on specific areas. One of these – the Education Quality Development (EQD) committee – is charged with governance of NAS schools.

In order to provide the close oversight required to ensure high quality day to day governance in each and every school, the EQD has established local governing bodies (LGBs), each of which is chaired by a trustee who sits on the EQD committee. This Scheme of Delegation sets out the relevant roles and responsibilities of all those involved in the governance and operational management of the schools, thereby ensuring clarity and a shared understanding of who is responsible for what.

Key Roles

Key stakeholders in the governance and operational management of the schools include:

- The NAS board
- The board's Plans & Resources Committee
- The Education Quality Development (EQD) committee of the board
- Local Governing Bodies (LGBs)
- School Principals
- The Director, Education
- The Deputy Director, Education
- The Head of Schools Improvement
- The Director, Finance

The NAS Board

The NAS trustees are accountable at law for what happens in NAS schools. However, clearly no one trustee can maintain a detailed knowledge of six schools spread across the country and so the board must delegate its responsibilities, while recognising that it remains accountable.

Plans and Resources Committee

The PRC is tasked with the oversight of investment proposals originating from other board committees, making recommendations on investment priorities to the board.

Education Quality Development Committee

The EQD committee is responsible for governance of the schools on behalf of the board. Trustees who sit on the committee are aligned with individual schools and chair the relevant LGB, thereby providing a direct governance link between the school and the NAS board.

Local Governing Bodies

LGBs provide local governance. Their functions are to:

- Support the principal and senior management team in the delivery of the school's mission and vision,
- Act as a critical friend, providing constructive challenge,
- Monitor the wellbeing and safety of the pupils,
- Monitor the educational achievement of pupils,
- Represent the school to the local community, including the business community,
- Support the development of the school as and when opportunities arise.

LGBs provide feedback to the EQD and NAS board, via the link trustees who chair them.

Apart from the chair, LGB members will include the principal, a parent of a pupil and representatives from the local community. LGBs are not expected to have more than six or seven members in total.

Other Roles

School Principals are critical to the success of the school and are accountable to the NAS board for all aspects of the school's performance.

The Director, Education supported by the Deputy Director, Education has the overarching responsibility for the performance of schools and children's services, line managing the school principals.

The Head of Schools Improvement works closely with the schools to ensure that every school delivers high quality education and outcomes for every pupil, identifying and sharing best practice.

The Director, Finance, supported by the Finance Manager agrees schools' budgets and monitors financial performance.

Appendix 1 – Code of Conduct for LGB’s

The following code provides a statement of the broad principles by which the governors of the schools within NAS AT should operate.

General

The (Executive) Principal is responsible for the day-to-day management of the school, the implementation of policy and the operation of the curriculum. Governors have a responsibility for determining, monitoring and keeping under review, the policies, plans and procedures within which the school operates.

The Local Governing Bodies (LGB) will contribute most effectively to this aim by focusing on its three roles:

- To provide a strategic view of where the school is heading, in line with the vision, ethos and expectations of NAS AT.
- To act as a critical friend by providing support and advice to the school.
- To hold the school to account for the educational standards it achieves and the quality of the education it provides.

All governors have equal status. Although governors are appointed and elected by different groups, their central concern is the success of the school as a whole.

Governors always have a general duty to act fairly and without prejudice.

Governors should consider carefully how their own decision might affect other schools both within and outside NAS AT.

Governors should encourage open government and should be seen to do so. All Governors are required to act in accordance with the Nolan principles as follows:

Selflessness – Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other benefits for themselves, their family or their friends.

Integrity – Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity – In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability – Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness – Holders of public office should be as open as possible about all the decisions and actions they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty – Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership – Holders of public office should promote and support these principles by leadership and example.

Governors do not act alone but as members of a corporate team. Individual governors have power only when it is delegated specifically to them by the whole Local Governing Body.

Commitment

- Governors acknowledge that accepting office as a governor/trustee/academy committee member involves the commitment of significant amounts of time and energy.
- Governors will be involved actively in the work of the Local Governing Body, and accept our fair share of responsibilities, including service on committees or working groups.
- Governors will make full efforts to attend all meetings and where they cannot attend will explain in advance why they are unable to.
- Governors will get to know the school/s well and respond to opportunities to involve themselves in school activities.
- Governors will visit the school/s, with all visits arranged in advance with the (Executive) Principal and undertaken within the framework established by the Local Governing Body.
- Governors will consider seriously their individual and collective needs for induction, training and development, and will undertake relevant training.
- Governors accept that in the interests of open government, their full names, date of appointment, terms of office, roles on the Local Governing Body, attendance records, relevant business and pecuniary interests, category of governor and the body responsible for appointing them will be published on the school's website.

In the interests of transparency, Governors accept that information relating to governors/Directors/academy committee members will be collected and logged on the DfE's national database of governors (Edubase).

Relationships

- Governors will strive to work as a team in which constructive working relationships are actively promoted.
- Governors will express views openly, courteously and respectfully in all our communications with other governors/Directors/academy committee members.
- Governors will always support the chair in their role of ensuring appropriate conduct both at meetings and.
- Governors are prepared to answer queries from other board members in relation to delegated functions and consider any concerns expressed, and they

will acknowledge the time, effort and skills that have been committed to the delegated function by those involved.

- Governors will seek to develop effective working relationships with the (Executive) Principal, staff and parents, the trust, the local authority and other relevant agencies and the community.

Confidentiality

- Governors must observe complete confidentiality when asked to do so by the Local Governing Body, especially in relation to matters concerning individual staff, pupils or parents.
- Although decisions reached at governors' meetings are normally made public through the minutes, the discussions on which decisions are based should be regarded as confidential. Any decisions made, whether supported individually by you as a Governor, should always be actively supported once the decision has been made collectively by the Local Governing Body.
- Governors will always exercise the greatest prudence when discussions regarding school/trust business arise outside a Local Governing Body meeting.
- Governors will not reveal the details of any Local Governing Body vote.

Conduct

- Governors should express their views openly within meetings but accept collective responsibility for all decisions, supporting those decisions always in public forums.
- Governors should only speak or act on behalf of the Local Governing Body when they have been specifically asked to do so.

All visits to school should be undertaken within a framework which has been established by the Trust and agreed with the (Executive) Principal.

In responding to criticism or complaints relating to the school, governors should refer to the Trust's 'Complaints Procedure' for the correct procedure to be followed and advise the complainant accordingly.

Governors have a responsibility to maintain and develop the ethos and reputation of the school. Their actions within the school community and externally should reflect this.

Any pecuniary interest that a governor may have in connection with the Local Governing Body's business must be recorded in the register of pecuniary interests.

Where an interest is declared, the governor must leave the meeting while the item is under discussion.

Breach of this Code of Conduct

If Governors believe this code has been breached, they will raise this issue with the chair and the chair will investigate; Local Governing Body will only use

suspension/removal as a last resort after seeking to resolve any difficulties or disputes in more constructive ways.

Should it be the chair that Governors believe has breached this code, another Local Governing Body member or Trust representative, such as the vice chair or Director, Finance will investigate.

Training and Development

Governor training and development is important. It benefits the school and individual governors and can help to develop effective teamwork. Governors are encouraged to undertake training to further their individual interests within the Local Governing Body and the work of the Local Governing Body as a whole.

Mentoring

An experienced governor who acts as a mentor to new governors can provide support and a listening ear for all aspects of the work of the Local Governing Body. Governors should be prepared to act as mentors, as required.

Meetings

Individual governors do not have any authority in school. It is the collective decisions of all the governors together that carry authority. The activities that governors undertake outside meetings can be seen as preparation for the times when the Local Governing Body 'goes live' - in a meeting.

It follows that if a Local Governing Body is to carry out its functions well, its meetings are crucial. Below is NAS AT 's 'Meetings Charter'. If the Chair, the Head, the Clerk and all the governors subscribe to, and implement, the charter, the Local Governing Body will be giving itself the best chance of coming to informed, collective decisions.

Meetings Charter

As a governor I expect:

- people to attend regularly and be punctual;
- an agenda and relevant documents to reach me at least seven days before the meeting;
- an agenda that makes clear the purpose of each item;
- a Chair who keeps to the agenda, paces the meeting so that time is given to each matter in proportion to its importance, draws on all members for contributions and keeps discussions to the point;
- my contributions to be heard and others to contribute to the discussion;
- the decision-making process to be quite clear;
- governors to work together and not to be stubbornly partisan;
- governors to take collective responsibility for decisions;
- minutes that summarise views succinctly, record decisions accurately and are made available, in draft form, soon after each meeting.

Others can expect me to:

- attend regularly and be punctual;
- read the agenda, minutes and other papers before the meeting and note items I want to say something about;
- bring my papers to the meeting;
- make relevant and positive contributions;
- listen to and consider what other people want to say;
- accept my share of collective responsibility, even for those decisions that I do not personally agree with.

Appendix 2

The National Autistic Society Governance of Independent Schools

The NAS Board of Trustees is legally accountable for the independent schools. Trustees are appointed through a Board Nominations Panel which is tasked with the recruitment of trustees to meet the needs of the Board.

The Board delegates certain responsibilities to its Education Quality and Development Committee which comprises the chairs of the advisory Local Governing Bodies (LGBs) and others.

The Board values and supports the work of LGBs and the significant contribution they make towards improving outcomes, well-being and the safety of our children and young people in their local area.

To enable effective local governance, the NAS provides support with governor recruitment, selection and training. It ensures that governors are trained and enabled to fulfil their duties. It ensures appropriate communication and shared policies to secure a consistent and sufficient approach to the educational delivery, outcomes monitoring and reporting of independent and NAS Academies Trust schools.

These terms of reference covering the composition and requirements for Local Governing Bodies, together with the scheme of delegation, will be reviewed regularly.

TERMS OF REFERENCE FOR LOCAL GOVERNING BODIES

1. FUNCTIONS

1.1 The core responsibilities of the LGBs are to:

- a) Monitor the performance of the school against its development and improvement plan and key performance indicators (as agreed by the NAS director of education and the school Executive/Principal).
- b) Monitor the school's financial health and use of the pupil premium (not in Scotland), as well as identifying and responding to its fundraising needs.
- c) Provide support and challenge to the schools' Executive/Principal.
- d) Make termly visits to the school and be engaged in activities, monitoring and supporting the safeguarding and well-being of students.
- e) Review pupil numbers, profile and outcomes and ensure that any available places are actively marketed.
- f) Ensure that the school operates in accordance with up-to-date regulation including the Independent School Standards, 'GIRFEC' (Scotland), Minimum Standards for Special Boarding Schools, Keeping Children Safe in Education and health and safety standards.
- g) Check that NAS policies and procedures are being applied effectively.

- h) Ensure that both the school and the LGB are compliant with GDPR requirements.
- i) Ensure that business development plans are developed and submitted as required by the NAS so they can be coordinated with those of other NAS schools in fulfilment of the NAS educational strategy and philosophy.
- j) Act as a link between parents/guardians and the school ensuring that there are clear parental engagement processes.
- k) Represent the school to the local community, including the development of contacts with local businesses and the promotion of fundraising activities.
- l) Engage with relevant stakeholders, including the Department for Education, Ofsted and in Scotland, Education Scotland and the Care Inspectorate in fulfilment of those bodies' expectations for school inspections and development, representing the Board.
- m) Keep the board's EQD committee briefed on the school's performance and on pupils' welfare and safety.
- n) Investigate complaints, in accordance with the NAS s complaints policy.
- o) Take part in any appeals process relating to the exclusion of a pupil.
- p) Bring forward proposals and recommendations to enhance the functioning and development of the school.

2.2 The following functions do not fall into the remit of the LGB:

- Appointment of the Executive/Principal;
- Decisions regarding the admission of individual pupils or appeals relating to admissions;
- Setting the school's budget;
- Making decisions relating to capital investments;
- Making decisions relating to staff pay.

3. COMPOSITION OF LOCAL GOVERNING BODY

- 3.1 The Chair and the School Principal shall be standing members of the LGB. The Chair shall be a trustee of the NAS, appointed by EQD, who shall be eligible to serve for as long as they remain a trustee.
- 3.2 Other members, known as appointed members, shall be appointed by EQD on the recommendation of the School Principal and the Chair of the LGB. These members may serve up to two terms of 4 years, subject to a probationary year. The second term will be subject to review by the LGB chair, taking into account that member's contribution to the work of the LGB and approval by EQD.
- 3.3 Appointed members shall be parents, staff or independent persons who bring added value in the form of their professional skills.
 - There shall be a minimum of one and no more than two parent members.
 - There shall be a minimum of one and no more than two staff members.

- There shall not be more than three staff and parent governors together at any time.
- There shall be a minimum of two and no more than three independent members.

The guiding principle is that the number of staff and parent members shall not exceed the number of independent members.

- 3.4 A parent whose child leaves the school shall cease to be a member of the LGB and a new parent member shall be appointed. Similarly, if a staff member leaves their post.

There is no barrier to a one-time parent or staff member being appointed as an independent member, subject to total term length, if they bring appropriate professional skills and experience.

- 3.5 There shall be three specialist governors to cover:

- Business/Finance skills,
- Safeguarding (ordinarily the Chair), and
- Community engagement.

- 3.6 Staff members who are appointed to the LGB shall be non-teaching staff who are not members of the SLT.

If the school has a residential service, there is a requirement to have a member of staff who works in that service sitting on the LGB and this may be the residential service manager.

- 3.7 Typically, LGB membership will therefore comprise:

- The Chair (a trustee of the NAS)
- The principal
- One or two additional members of school staff
- At least one parent of a school student (and not more than 2)
- Up to three specialist members bringing professional skills

- 3.8 Conflicts of interest.

- In the event of any potential conflict of interest arising, the member must absent themselves from the meeting while the matter is discussed.
- For any agenda item involving matters relating to staffing, the staff members must leave the meeting.
- Any parent or staff member in dispute with the school will be automatically suspended from the LGB until the matter is appropriately resolved to avoid potential conflict of interest.

- 3.9 The LGB will not create any sub committees but it may appoint individual members to lead on specific topics.

- 3.10 No member of an LGB will attend as a representative of a body. Thus for example, if an employee of a local authority is invited to join the LGB this will be on the basis of their personal merits, not to represent the local authority.

- 3.11 All LGB members will be required to undergo DBS checks and Section 128 Prohibition Checks. In Scotland the equivalent checks are Disclosure or Protecting Vulnerable People (PVP) checks.
- 3.12 A quorum will be formed by three members, including the chair.
- 3.13 All LGB members will be required to undertake regular training on specific topics, and to maintain safeguarding training. The cost of such checks and training will be borne by the school.
- 3.14 As good practice, the chair should identify one of the specialist governors to act as vice chair, should the need arise.
- 3.15 LGBs will appoint a clerking service to take care of administration and to take the minutes of meetings. This can be done by the school's office but if there is no appropriate staff member willing to act, a clerking service will need to be bought in by the school.

4. FREQUENCY OF MEETINGS

- 4.1 The Governing Body will meet at least once in each term, i.e. three times per annum and all members shall make at least one other visit to the school per term.

5. POLICIES

- 5.1 Education policies are developed and confirmed by the NAS board. The role of the LGBs is, where appropriate, to ensure that procedures and protocols for the implementation of policies have been developed to match the circumstances of the particular school. Where the Governing Body feels that some specific aspect of a policy is inappropriate or inadequate, it may make a recommendation to the board for the policy to be changed.

7. CODE OF PRACTICE AND CONFLICTS OF INTEREST

- 7.1 Members of LGBs will be required to sign a declaration of their agreement to abide by a code of practice and also to complete a 'conflicts of interest' return, both to be refreshed annually. Examples of these forms are attached.
- 7.2 Should an LGB member have an actual or potential conflict of interest in relation to any matter being discussed by the LGB, either in respect to him/herself or to a close family member, the conflict must be declared and the individual absent him/herself from the discussion and any subsequent decision.
- 7.3 In a public setting, including any use of social media, members will support NAS positions, policies and procedures at all times and step down in the event of a complaint against or dispute with the NAS that affects the individual or their family.

Conflicts of interest

- I will record any pecuniary or other business interest that I have in connection with the LGB's business in the Register of Business Interests.
- I will declare any pecuniary interest - or a personal interest which could be perceived as a conflict of interest - in a matter under discussion at a meeting and offer to leave the meeting for the appropriate length of time.

Undertaking:

I confirm my agreement to this code of practice. As a member of the LGB I will always have the well-being of the children and the reputation of the school at heart; I will do all I can to be an ambassador for the school and the National Autistic Society, publicly supporting its aims, values and ethos; I will never say or do anything publicly that would embarrass the school, the NAS, the LGB, the Principal or staff.
