

Spring Newsletter 2020

14th February 2020

Dear Parents and carers

Thank you for all your support regarding the sad news of Peter Danco's passing. Peter had been diagnosed with cancer and it has been shared that he did not suffer for long. Marius Byleveld attended the funeral in Slovenia on Thursday 6th February on our behalf. The family were very appreciative of Marius' presence and he laid a beautiful wreath on all our behalf. The family stated that they would be pleased, if we wished, to contribute to Cancer Research.

We will be presenting 'Peter's Trophy' for 'Best Dance' at our Summer Social in his memory.

We apologise for the cancellation of the Parents in Partnership Workshop on Wednesday 5th February. We will be in touch soon with the next Workshop date.

Coronavirus

Advice for parents/guardians

You should not be unduly worried about the possibility of your children catching the Coronavirus.

There is no reason why your children should not continue to attend their early years, school or further education setting as normal.

We recognise that some families or children may be planning to travel to China during the forthcoming half term period. If so, please refer to the FCO's latest travel advice via the following link: <https://www.gov.uk/foreign-travel-advice/china>

What action you can take

A UK wide campaign has been launched to provide clear advice on how to slow the spread of Coronavirus.

Please help to support the campaign which promotes basic hygiene practices, such as regularly washing hands and always sneezing into a tissue, to stem the spread of viruses.
