1. How to ask a question during the event

Event producers will be collating questions during the event. Any questions that are repeated or cover similar themes will be combined into one question. One of the event's producers will read out collated questions at the start of the question and answer session for the speaking panel to answer. Please note, there will be one question and answer session at the end of the event, we will not be pausing for questions after each speaker.

Step 1: If you wish to ask a question during the event, click on the small question tab at the top right-hand corner of the screen.
