World Autism  
Awareness Week  
29 March - 4 April 2021

# Please join us and help create a society that works for the 140,000 autistic school children in the UK.

**“We want everyone to be able to reach their potential”**

Dear **Madam or Sir,**

World Autism Awareness Week is back from 29 March to 4 April and we'd love your school to join us and raise awareness to help improve the lives of autistic children in the UK.

**One in 100 children are autistic** and you most likely have autistic children in your school. I am sure you appreciate how tough life can be for them.

Sign up to our free education newsletter and you'll be able to download free learning resources, suitable for all age groups. If the week falls within your school's holidays, you can use the packs at any time, whether you're in school or teaching remotely. We hope that you and your students will enjoy using them.

So, thank you on behalf of all the people you and your amazing students will be helping.

Yours in admiration,

**Chris Packham CBE**
